### Our Vision

To nurture Christian character in each student and encourage the development of a lifelong love of learning.

To train the student to apply Biblical principles and reasoning to all spheres of their education and life.

To compliment and enhance the home schooling experience by providing creative, quality instruction in a group environment.

“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.”

2 Timothy 3:16-17

## OUR PROGRAM

Classes will be held on Tuesdays and Thursdays with class size limited to 16 -18 students.

## OUR PURPOSE

Pioneer Family Academy was developed in 1993 out of desire to provide support to home schooling families who desire to “...enlighten the understanding, correct the temper, and form the manners and habits of youth, and fit them for usefulness in their future station,” as stated in Noah Webster’s 1828 definition of education.
